INTRODUCTION

Low Express Rates on Plants. I am shipping by express lines to all parts of the country, goods packed in crated boxes at a reduction of 20 per cent from the regular rates of merchandise. I always ship this way unless otherwise instructed—especially in the cool weather.

Plants Out of Pots Unless Otherwise Instructed. Terms of Business. Cash with order, please. Excepting parties with whom I have done business before, and transactions have been satisfactory; my terms are 30 days. Unknown correspondents wishing to open an account will please furnish reference to parties in trade with whom they have had credit relations.

Remittances should be made by **Post Office Money Orders, Drafts on New York Banks, or Bank of Long Island, or Express Money Orders.** Where it is not possible to obtain these, the letter should be registered.

Goods desired C. O. D. must be accompanied by a partial remittance to guarantee acceptance. All goods are offered, subject to being unsold on receipt of order, and I reserve the right to advance price without notice. **Charge is made for boxes and packing at cost.**

Non-Warranty. Although I continue to take all possible pains to supply only the best, I cannot give a warranty as to the productiveness or crop of the plants sent. Every order received for articles named in this list will be executed on these conditions only.

An Invitation. I cordially invite you to visit my greenhouses at College Point. My place lies across from the **L. I. R. R. Depot at College Point** and can be reached by taking the trolley at 59th Street, Queensborough Bridge. Fare, 5 cents, no transferring. Get off in College Point at 4th Avenue and 13th Street and walk east 6 blocks to 19th Street up 4th Avenue. You can make it from **Pennsylvania Station, 34th Street between 7th and 8th Avenue**, in 20 minutes. My reputation in plant growing is made, and for reference see any of the leading storekeepers in New York City. We count among our customers the most important storekeepers in all large cities. Our plants are naturally grown and not forced and of a fine dark-green foliage.

Hoping to receive a part of your esteemed orders, and assuring you of the best of service, I remain, respectfully,

**ANTON SCHULTHEIS
